

Our Pet Food Packaging Engineers really know their stuff.

Understanding your business is in our DNA.

When you need secondary packaging solutions, you need more than a machine. You need a dedicated partner to help solve your unique challenges. At Douglas, customer commitment is more than what we do, it's who we are. After all, we've been doing it for over 350 (50 hmn) years now. Ready to put uncompromising dedication to work for you?

We're listening.

DOUGLAS

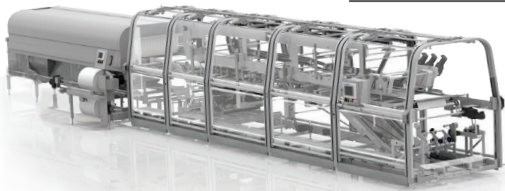

EMPLOYEE OWNED. CUSTOMER DRIVEN.

When it comes to Pet Food solutions, Douglas brings **more** to the ~~table~~ bowl.

More **experience**, more **innovation** and more **commitment** to truly **understanding** your unique packaging needs.

From **cans, cups, bags** and **pouches**, **shrink wrapped** to **retail-ready** and **more**, explore our customer driven secondary packaging solutions that protect and showcase your products.

- Dry pet food
- Treats & specialty items
- Wet pet food
- Custom packaging

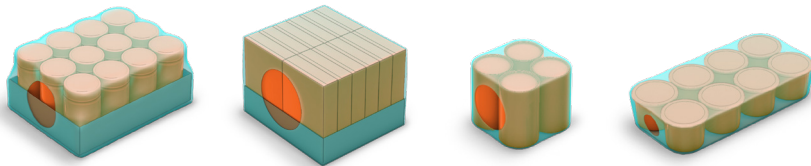

- Speed ranges 25 to 150 cycles per minute
- Film width 10 to 27 inches, printed or non-printed
- With or without pad
