Douglas Machine says *Cheers!* to the Beer, Wine & Spirits Industry

ALEXANDRIA, MN. (February 29, 2016) – From concept, to development, to thriving production, Douglas proves to be a premier custom-built packaging partner. The Douglas Axiom® IM Case Packer fulfilled a unique customer request through a single-cell case packing solution that horizontally loads up to 180 bottles of spirits per minute into a retail-ready case, while maintaining speed and efficiency.

About Douglas Machine Inc.

Founded in 1964, Douglas Machine Inc. is a global leader in automated secondary packaging solutions for paperboard, corrugated and shrink film. The company specializes in the design and manufacture of cartoners, sleeves, case/tray packers and shrink-wrap systems. Based in Alexandria, MN, Douglas is an employee-owned company that has installed more than 7,000 machines in 30 countries. For more information, visit www.douglas-machine.com.
