Eliminate Corrugated Costs with Shrink Bundling from Douglas Machine

ALEXANDRIA, MN. (November 29, 2017) – Reach a whole new market and reduce material costs by eliminating trays and pads and running film only packages with Douglas Shrink Pack Systems. Existing systems can be modified with the Film Only Conversion which provides enhanced product stability and air and heat controls to produce quality film only packages.

About Douglas Machine Inc.

Founded in 1964, Douglas Machine Inc. is a global leader in automated secondary packaging solutions for paperboard, corrugated and shrink film. The company specializes in the design and manufacture of case & tray packers, shrink wrap systems, cartoners, sleeveers and palletizers. Based in Alexandria, MN, Douglas is an employee-owned company that has installed more than 9,000 machines in 30 countries. For more information, visit www.douglas-machine.com.
