###

Partner with Douglas to receive a customer-driven experience designed to provide you with the ideal secondary packaging solution to meet your application and ROI goals.

## Your Next Round of **Reliability** is on Douglas.

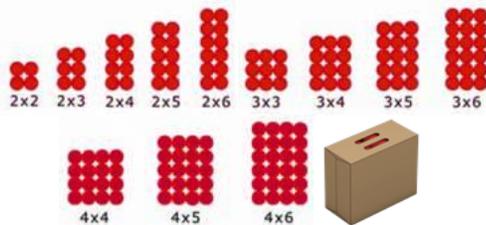

Bringing your finest to your customer's table ... Cartoning, Case Packing and Shrink Wrapping solutions for craft brewers.

### Cartoning

Vantra™ IM – The craft brewer's choice for cartoning 300-600 cans/minute! Compact and economical intermittent motion cartoner capable of producing both cartons and trays on a single machine.

Spectrum – The ideal high-speed multipacker for cartoning craft beverage cans and bottles.

### Case Packing

TriVex® RLi – This top loader and sealer offers craft brewers versatility with high speed automation.

Axiom® IM – Precise product control ... only the best for your craft brew. The Axiom IM is capable of packing up to 40 cases/min. in wraparound or knockdown style cases and trays, with or without partitions.

### Shrink Wrapping

Shrink Packer Systems – A flexible solution for craft brewers. Integrated machines for loose product collating, tray packing and shrink wrapping.

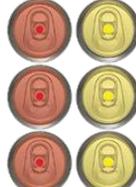

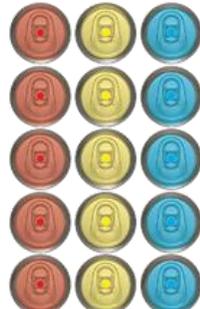

Shrink Wrappers - Standalone shrink wrappers for trays of craft-brewed cans or bottles.

Employee Owned, **Customer Driven.**

There's a large **Variety** of ways that Douglas offers you **more**.
